Speaking Directly

“Screw It Let’s Ride”

Welcome to the “New” Ft. Lauderdale Harley Davidson Chapter #0662” at Sunrise. The move from the Ft. Lauderdale Location is almost complete. The staff members are getting into their new routines and we have many very exciting years ahead of us at the new location.

Traditionally, the January meeting is when we announce our annual recipient of the “Randy Gonzalez” award. Dave Spallinger was chosen for this very prestigious award for 2012. For those of you who do not know what this award is about, Pat has promised to write a small article about Randy and his life in the Chapter.

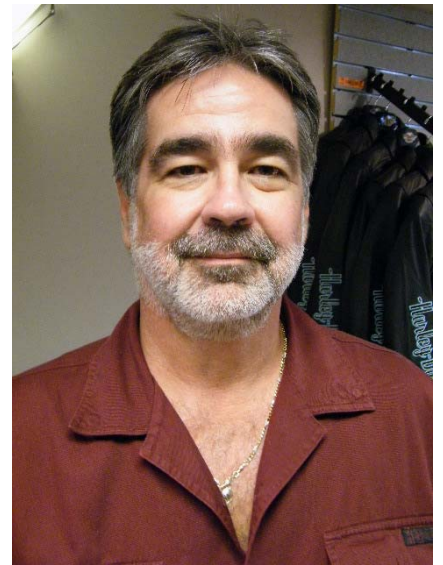

With all the “New” around us, the Board decided to surprise everyone with a few new changes of its own. After being on the board for 10 years and serving in several capacities, including Secretary and Asst. Director, Pat Scrogam has decided to “step down.” Everyone has heard me boast about Pat and her commitment to the Chapter and she will be missed very much. However, I know she will continue to be an active member until she and Killer move to Georgia in mid-2014. That is the plan anyway.

As we cannot be without an Asst. Director, the Primary Board had to go to work and find someone to fill Pat’s spot on the board.....we chose Gary Jones. Gary is currently the editor and will continue to be the editor, wearing two hats, as he uses his computer skills to refine our HOG Log.

Scott Quartier, after 2 years, has also decided to step down as Membership Officer. Sonia Manson has already “jumped” into this position and is processing memberships fast and furious. Yes, it is renewal time.

We have a bigger and better “HOG Pen” filled with merchandise. T-Shirts, rockers and other HOG and Chapter specific items are available on Saturday. If you are there other than on a Saturday and need something in a hurry, Murphy in the parts department is usually able to help you with your purchase.

One final note, we have a new route for the “Welcome to the Family” ride. If you haven’t been to the class in awhile, now is the time to come visit. We are the only Chapter with a HOG Approved, Nestor Ortiz original “Welcome to the Family” power point presentation. It is quite impressive.

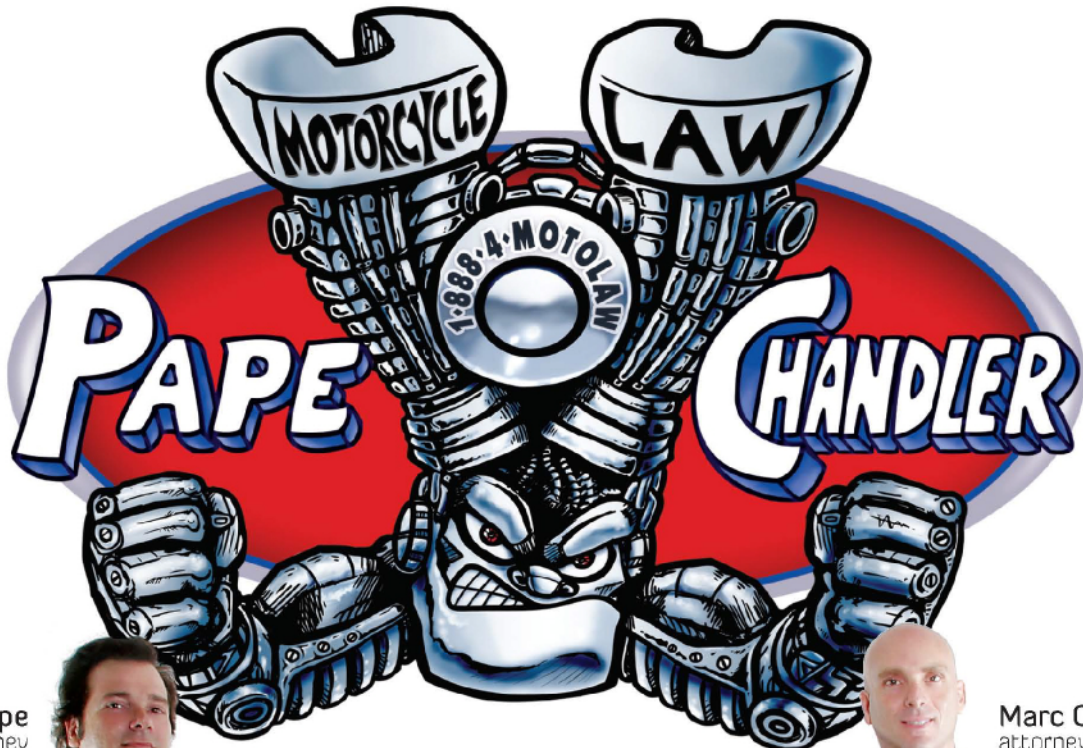

See you on the road, at our rides or at the meetings. If I, or any member of the board, can do anything to make your HOG experience more exciting, Please feel free to contact us. We are here to help. Remember, when it all comes down to it, “We are a motorcycle club. It’s all about the ride.”

A lagniappe (pronounced LAN-yap) is a small gift given to a customer by a merchant at the time of a purchase (such as a 13th dozent when buying a dozen), or more broadly, "something given or obtained gratuitously or by way of good measure." The word is chiefly used in the Gulf Coast of the United States, especially Louisiana.

WOW! Congratulations to Diane Zimmerman on her new Pearl White Trike. She is a real beauty! Here is to lots of fun miles ahead! Welcome to the world of three wheels and the great feeling you get on your own bike. Keep on trikin' girlfriend!

Sunshine Column

Hello HOG Family,

I want to thank everyone for the lovely holiday cards and greetings that Bernie and I received from so many friends.

I must share with you a funny one. It came from Lamer's Bus Company, Family and Staff. They thanked us for the business and wished us a Merry Christmas and a Happy New Year. If you were with the chapter at the HOG State Rally, you would know that we hired them to transport us to the Three Dog Night Concert. It was an awesome night and I just wanted to share this message with all of you.

Congratulations to Kathi Mosier on the engagement of her daughter Jessica to Jeremy Idleman. The wedding will take place on October 26, 2013, in St. Louis, Missouri. Good Luck to the happy couple !

You meet the nicest people on our chapter rides. We got to know Flo and Dave Batzer when we rode to Old Key Lime House. They are relatively new to the chapter but not to riding motorcycles! It was even their 34th wedding anniversary, and they came riding with us! Aren't we lucky? To meet people who share our passion for riding and a good meal to share with friends. Many more happy and healthy years ahead!

Now that we are getting settled in at our Sunrise location, I encourage everyone to come out to Bike Nites, Chapter Rides, Shop at the Hog Pen, and Welcome to the Family.

Looking forward to seeing you whenever you can.

Come When You Can and Leave When You Must!

Biker Humor

One for the guys:

A drunk biker is riding through the city and his bike is weaving violently all over the road. An Irish cop pulls him over.

The cop says to the biker, "Where have you been?" "I've been to the pub," slurs the biker. "Well," says the cop, "It looks like you've had quite a few." "I did all right," the biker says with a smile.

"Did you know," says the cop, standing straight and folding his arms, "that a few intersections back, your wife fell off the bike?"

"Oh, thank heavens" sighs the biker. "For a minute there, I thought I'd gone deaf."

One for the girls:

This biker lady has a heart attack and is taken to the hospital. While on the operating table, she had a near death experience. Seeing God, she asked, "Is my time up?" God said, "No, you have another 43 years, 2 months, and 8 days to live."

Upon recovery, the woman decided to stay in the hospital and have a facelift, liposuction, and tummy tuck. Since she had so much more time to live, new roads to ride, she figured she might as well look even nicer.

After her last operation, she was released from the hospital. While riding her motorcycle home, she was run into by a delivery truck and killed.

Arriving in front of God, she demanded, "I thought you said I had another 40+ years? How come you didn't pull me out of the path of that freakin' truck?"

God replied, "I didn't recognize you."

A Brief Request From Your Membership Officer

It's that time of year again to renew your local membership for the chapter. This membership is for your individual use only and is not a family membership. If you and your significant other would like to be a member we would love to have you both, but each member must fill out an enrollment and release form and have a current "National HOG Membership".

If you do not have a national number you can sign up for one online at HOG.COM. Once you have a current national number I will be able to process your Local Membership. There are many chapter functions that only members can attend or for which local members have a discounted rate. Also, if your national membership expires your local one does also. If you have any updates to your address or other information, please email member@flhog.com.

Thank you, Sonia Manson, Membership Officer, FL HOG #0662

Improving skills and Confidence

If you haven't been riding for some time your skills may not be as sharp as they should be. To reacquaint yourself with your bike and how it's handling try some of these recommendations.

Your drills should focus on two critical maneuvers for traffic survival: braking and swerving. Road challenges can generally be grouped into the categories of "what to brake for" and "what to swerve for". Find a parking lot to practice in. For breaking practice, accelerate to no more than 20 mph in second gear. Apply both front and rear break gradually and evenly to bring yourself to a smooth, controlled stop. Practice this each time more quickly, without locking either wheel then try this at a slightly higher speed. **DON'T MAKE YOUR FIRST STOPS YOUR QUICKEST STOPS.**

Before practicing swerving, breaking in a curve and other more difficult maneuvers, try a simple weaving exercise. Put cones or other small objects in a straight line 30 feet apart, and weave through at 15 to 20 mph. Then tighten up the spacing to 20 feet and ride through a few more times.

Also remember not to do these exercises alone. Have friend along to give you both encouragement and critique.

See you on the next ride.

Ride Safe!

IMPORTANT CHAPTER RIDE POLICIES

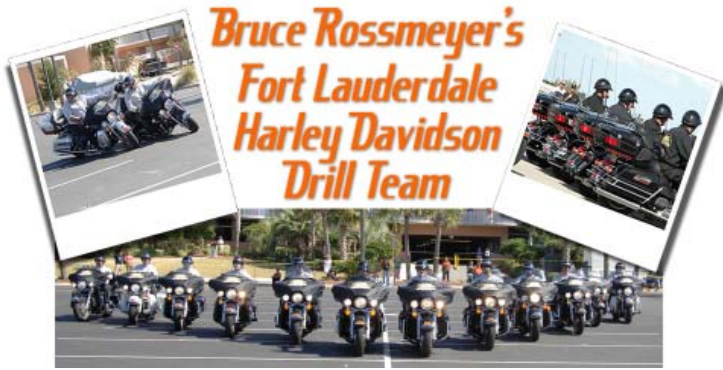

In the event that inclement weather interferes with our scheduled rides, please be advised of our long-standing policy regarding cancellation of a ride. While it is always a member's option to go on a chapter ride whenever we have inclement weather, a decision will be made by the Lead Road Captain whether the SANCTIONED ride will take place. Riding in inclement weather is a safety issue we should always consider. The formal cancellation of a ride will occur at the time and place the ride begins. The Lead Road Captain running the ride will be present at the designated time and place the ride begins to advise those present of the decision.

While the H.O.G. Ft. Lauderdale Chapter #0662 always promotes riding, we have a responsibility to our members, H.O.G. National, our sponsoring Dealer and Harley-Davidson. All participants in our rides must be a current member of H.O.G. National and our local Chapter. All members are issued a local membership card that must be shown at the time of the ride. If the card is not available, a waiver must be signed prior to the ride. Guests are allowed on up to 3 rides and must sign a waiver prior to each ride. At the 3rd ride, Guests will be asked to become a member. Participants without membership cards or signed waivers will not be allowed to participate in any Chapter events. Guests are not allowed to participate in the fourth event. Thank you for your understanding and cooperation.

Drill Team Corner

Welcome to 2013! So many changes have come upon the chapter and to the Drill Team! We have some fresh faces out. The interest of people wanting to get involved with the the team is just amazing!

Gregg Manson and Craig White have been coming to practice regularly and are working hard to qualify for the team. We have a very stringent set of tests that newbies must pass in order to qualify as a member of our award winning team. Some guys have even

gone out and bought bikes just for Drill Team duty, that's commitment! We have seen various fresh faces from the chapter who have come to our practices to hang out and see more of what we are about. We don't just meet at a parking lot and run the routine, we do skills. We are constantly working to keep our riding skills fresh. You have to when you are doing maneuvers where you are inches away from the bike next to you.

We will be performing next at the Smiles Charity Ride on Sunday, March 24th. We will also be at the Leesburg Bikefest one month after that.

You can always see videos of most of our performances on my youtube account at <http://www.youtube.com/user/jpilone>

The drill team is open to chapter members who want to broaden their horizons in regard to motorcycle riding ability and precision. If you have the desire to get involved, contact me and we will invite you to check us out at practice! After the rally, we are now regrouping to prepare for our 2013 performances and lineup, so now is the time to get involved!

If you want to know more about the drill team, visit our website at <http://www.flhdt.com>

Recent Travels

I have been in many places, but I've never been in Cahoots. Apparently, you can't go alone. You have to be in Cahoots with someone.

I've also never been in Cognito. I hear no one recognizes you there. I have, however, been in Sane. They don't have an airport; you have to be driven there. I have made several trips there, thanks to my friends, family and work. I live close so it's a short drive.

I would like to go to Conclusions, but you have to jump, and I'm not too much on physical activity anymore. I have also been in Doubt. That is a sad place to go and I try not to visit there too often.

I've been in Flexible, but only when it was very important to stand firm. Sometimes I'm in Capable, and I go there more often as I'm getting older. One of my favorite places to be is in Suspense! It really gets the adrenaline flowing and pumps up the old heart! At my age I need all the stimuli I can get!

And, sometimes I think I am in Vincible but life shows me I am not. People keep telling me I'm in Denial but I'm positive I've never been there before! I have been in Deep ca-ca many times; the older I get, the easier it is to get there. I actually kind of enjoy it there.

So far, I haven't been in Continent, but my travel agent says I may be going soon.

THE LAST - LAST WORD

Well, this is really the last, last word from me at least!

I want to start by THANKING everyone for all the wonderful emails, posts, kind words and congratulations! It has been a labor of love for sure for me! I have enjoyed the ten years on the Board so much! I have so many memories bouncing around in my head – just serving FIVE different Directors is quite unique for sure.

I want to thank those that have helped me in so many ways, Scott Thomas was and is a great mentor to me – he always knows what to say and when to say it – THANKS Scott you were a great help at the meeting again last night too. What a beautiful bouquet of Roses – the nicest I have ever seen. Thanks so much Jim Z! I will miss your nightly phone calls for sure!

I want to wish Gary all the best – he will be fantastic for sure! Just as he did with Editor he will take Assistant Director to new heights for the Chapter!

I also want to congratulate Sonia Manson for becoming our new Membership Officer – that is a very critical position in the Chapter! I know she will be wonderful at it and have heard that in fact she already is!! I tried to get a visit last night but she was busy working the whole

evening – that is Membership! Thanks Scott Quartier for doing a super job too.

Again, I want to add HUGE congratulations to Dave Spallinger for winning the Randy Gonzales Award! As I said last night this award, our “HOG OF THE YEAR” award, has always been very special to me. It is more humbling that you can imagine. Dave was definitely touched and he certainly earned it!

We have such a great chapter and it will only get better each year! Always remember it is YOUR Chapter and when you have ideas please let the Officers know – the more everyone shares the better the Chapter will become!

As I said last night I took the Pledge that they ask us at HOT – when our time is done that we keep quiet! I will do that – it isn't always easy to do – they started that pledge because many Chapters have split up because of former Officers still trying to run things – it happens! I will not do that – BUT – if anyone of you, an Officer or not needs me or has a question I will be here. I still care about the Chapter – as I told Jim I just ran out of time....we hope to move to Georgia in the next year so it was time I stepped back and let someone else learn and enjoy being on the Board.

Thanks again so much for everything – I promise not to sing although a couple songs have come to mind...

God Bless You All!

Love,
Patricia Scrogam
