# Speaking Directly

Every month I am usually the one holding up the HOG LOG so this month I decided to write my article early.

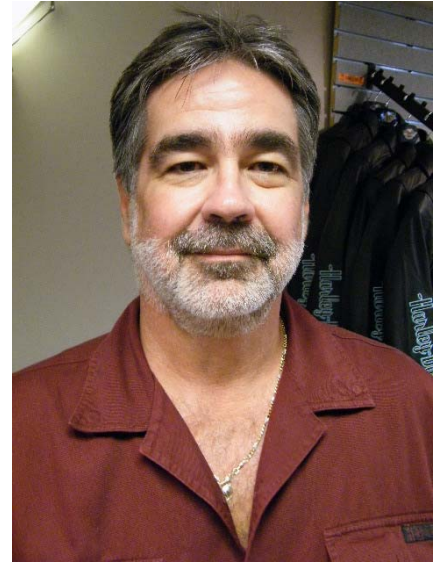

I want to take this opportunity to say “Thank You” to our board members. Every time we get together, this team of volunteers comes up with more ideas that continue to make this one of the best Chapters. The combination of efforts of everyone who helped build the new website is just one example. Special Thanks to Gary Jones, Jay Sanchez, Dave Spallinger and Sonia Manson; these are the individuals who have compiled and entered our information, photos, articles and the database on the website, and who continue to keep it all updated.

I hope everyone has had an opportunity to visit our new website, IT IS FANTASTIC. Our previous website had its share of pluses and minuses, as will the current site, but we have had nothing but “Thumbs Up” from everyone who uses the site on a regular basis. There is so much to explore and visit, I can only urge you to try every tab until you have become familiar with all aspects.

Thanks to those who have made suggestions on how to enhance our version. As we are learning with our new software at my office, this is a purchased “canned” program and we can only do what we are limited to by the program. We can forward these ideas to the company we purchased the program from, but what seems like an easy change to some may be out of the range of “this” program. Keep those cards and letters coming and we will take note of every suggestion.

We are finding all too soon that the rainy season is here. The afternoon showers are here for the next few months and we will do our best to circumnavigate them as much as possible. I know our Road Captains did a fantastic job in getting the “Capt Hiram’s” riders back without getting wet. They may have zig-zagged a bit but they did not get wet. The old adage is still in place, “if you put your rain gear on, it will not rain”. You will lose 10 lbs. sweating by having the gear on and will be just as wet, but it will not rain.....most of the time.

Dave Spallinger will be combining the Dealership calendar and the Chapter’s calendar to entice more people to join the Chapter. Our website will still be the best source for information. Those advertisers that were in the “printed” HOG LOG will soon see their advertisement

on our home screen. Hopefully you will remember to use them for your needs.

If I, or any member of the board, can do anything to make your HOG experience more exciting, please feel free to contact us. We are here to help. Remember, when it all comes down to it, “We are a motorcycle club. It’s all about the ride.” See you on the road, at our rides or at the meetings.

Jim Zimmerman, Director  
Fort Lauderdale HOG 3343  
“GEAUX SAINTS”

PS: We are diligently working on new rides and events, especially with our Dealership and Drill Team, for next year. Give us your ideas.

*It's Not The Destination...*

*It's All About The Ride!*

Hello Ladies,

A big thank you to the Ladies of Harley Joy G., Mona G., Kathi B. & Linda S. with helping with the grilling on June 7th. What a wonderful team of hard workers providing strong support and much laughter.

Afternoon storms had no effect on the wonderful setting and turnout for the LOH Bowling event on Thursday, June 20th. Mary Helen W. was the high bowler with a score of 153! We had approximately twenty attending with a lot of laughs and fun had by all – be sure not to miss out next time!

REMINDER the next Birthday Bike Night will be at Muddy Waters on July 15th, 2014 at 6:30pm.

Mark your calendar ladies for G.G.'s of New York Restaurant (5440 N. State Road 7, Fort Lauderdale, FL – 954-484-0400) for 7pm, Thursday, July 24th!

Gone ridin' – be back whenever. . .

# Safety Article: SO YOU WANT TO BE SEEN

It is an all too common misconception that yellow tinted or yellow polarized night driving glasses are beneficial for night time driving. The thought is, the yellow or amber color reduces glare and improves contrast. However, in reality, when driving at night or dusk in already limited lighting conditions, ANY tint further reduces the amount of light transmitted to the eye, and consequently, further impairs vision. The problem is compounded as the yellow tint gives the wearer the impression they are seeing better, when in fact the reverse is actually true.

“Yellow ‘Night Driving’ lenses have been shown to provide no benefit in seeing ability at night. They are even hazardous, because they give the driver a feeling of seeing better, which no one has yet been able to explain. Studies have shown that they actually impair visual performance and retard glare recovery. Many promoters have made unfounded claims for the ability of amber to improve night vision. They have employed mass solicitation, usually by mail. The Federal Trade Commission has correctly ruled that such practices are illegal since the lenses do not perform as claimed.” - Forensic Aspects of Vision and Highway Safety”, Merrill J. Allen, O.D., Ph.D., Et al.

While yellow lenses can be effective for foggy or hazy daylight conditions, they are not effective against headlight glare and should not be worn at dusk or night. If glare from headlights is a problem, the first step should be a thorough eye examination, as this could be an early indication of cataracts or other medical conditions.

“So-called night driving glasses are generally amber tinted eyewear meant to reduce the glare of oncoming headlights. While they may make the driver feel more comfortable, they also reduce the wearer’s visibility of the darker portions of the roadway.” - Sunglass Association of America

The best option for night time driving is a pair of spectacles with clear lenses and an AR coating. The AR coating is beneficial in two ways. First, it minimizes internal reflections within the lenses, reducing halo problems, and second, it increases the transmittance of light through the lens to the eye. However, it is important to note, if a patient does not normally wear spectacles, AR coated lenses, or any other type of night driving glasses will not improve night vision, as AR coatings only minimize ab-

errations that are inherent in ophthalmic lenses and night driving glasses will simply serve to introduce those aberrations to the wearer’s vision.

Since Motorcyclists are required to wear eye protection clear AR coated glasses, or clear shields on a helmet are best.

Tips for optimal night time driving vision:

- Make sure eyes are examined regularly
- Always wear an up-to-date prescription
- Lenses worn should be clear with an AR coating
- Ensure lenses are clean
- Ensure windshield is clean

Responsible dispensers of ophthalmic lenses discourage the use of tinted, polarized, or photochromic lenses in night time or dusk driving conditions.

Ride Safe!

# BEGGIN' TIME

This time a HOGANTUAN THANKS to our HOGUNTEERS! The LOH begged up \$347 for the Humane Society on the June 7th Party on the Patio while servin' some chili dogs and chips. I held down the shopping frenzy in the Hog Pen! June 14th we had Kevin F, Gus B & his HOGTIFUL wife serve up pulled pork HOGAMICHES with coleslaw. They worked the crowd for \$274 for Kids In Distress while Linda S kept the crowds under control in the Hog Pen! This Saturday we be grillin' and servin' sausage and peppers, then next Saturday we'll be servin' some beef brisket!

HOGTRAORDINARY! All of the HOGUNTEERS have done an HOGSOME job and I have to say it over and over again, you HOGS have been HOGTASTIC! (stay tuned for more HOGJECTIVES) I'll warn you now, the spots are going, going, going but we still have 25 open spots to grill or serve on Saturdays from 12:00am to 3:00pm. Chester's supply the means and the makins' and we do the HOGUNTEERING! The tips we make HOGUNTEERIN' are for charity with each Saturday going to a different charity and the \$\$ goes 100% to them. A few hours a few times a year to help raise \$\$ for charity is a HOG walk! We need 1 person for the Pen and 2-3 for the "Party on the Patio" each Saturday. Don't worry we'll keep "Callin' all HOGS" until the calendar is full! If you haven't HOGUNTEERED before, we won't throw ya to the HOGS! SOMEHOG will be there with ya to getcha goin'! Don't forget to bring some new or slightly used shoes to the HOG Pen for In Jacob's Shoes!

Thanks for lettin' me HOGESTER ya some more!

## FT. LAUDERDALE HARLEY OWNERS GROUP!

Come see some old friends, meet some new friends, and enjoy our complimentary bagels and donuts while learning about FL HOG and how we ALL ride safely in a group. If you have never ridden in our group, you are missing out on a great time.

Our experienced Road Captains present an orientation to the Chapter. They cover how our chapter rides in a group, answer all your questions, and then they lead us off through the city, highway and rural roads to enjoy a ride using our group riding skills.

## IMPORTANT CHAPTER RIDE POLICIES

In the event that inclement weather interferes with our scheduled rides, please be advised of our long-standing policy regarding cancellation of a ride. While it is always a member's option to go on a chapter ride whenever we have inclement weather, a decision will be made by the Lead Road Captain whether the SANCTIONED ride will take place. Riding in inclement weather is a safety issue we should always consider. The formal cancellation of a ride will occur at the time and place the ride begins. The Lead Road Captain running the ride will be present at the designated time and place the ride begins to advise those present of the decision.

While the HOG Ft. Lauderdale Chapter #3343 always promotes riding, we have a responsibility to our members, H.O.G. National, our sponsoring Dealer and Harley-Davidson. All participants in our rides must be a current member of H.O.G. National and our local Chapter. All members are issued a local membership card that must be shown at the time of the ride. If the card is not available, a waiver must be signed prior to the ride. Guests are allowed on up to 3 rides and must sign a waiver prior to each ride. At the 3rd ride, Guests will be asked to become a member. Participants without membership cards or signed waivers will not be allowed to participate in any Chapter events. Guests are not allowed to participate in the fourth event. Thank you for your understanding and cooperation.

# THE LAST WORD

Welcome to summer in South Florida! It sure has warmed up nicely. At least we can count on some cooling rains every afternoon. I don't know why folks think we don't have any change of seasons.

Speaking of summer, I hope you have some fun plans to celebrate our nation's 238th birthday. We have a nice long 3-day weekend this year so get out there and take a ride!

If you want to get away for a great weekend of riding in August we have an overnigher to Tavares coming up. You can see a little bit of central Florida that is not quite like the Turnpike or Disney, when you take a little ride with us. Major Todd and I will show you some roads that might make you wonder if you're still in Florida. Saturday afternoon will include some pool time, good food right next to the hotel and probably even an adult beverage or two. Come spend the weekend with your HOG family and be part of the memories being made.

Last month I mentioned a flag that we would be signing and sending down range. Y'all did a great job of filling it up with signatures. CPT Steffel is most appreciative of our efforts and it is now

being proudly displayed by the 297th ICTC on Bagram Air Field in Afghanistan. Here are a couple of pictures from just before we sent it and the flag being displayed in Afghanistan.

Speaking of deployed troops, did you know that the U.S. Department of Defense reports that we have active duty military members deployed in nearly 150 countries across the globe? Of course, our largest deployment

is currently in Afghanistan; however we have military personnel in many, many additional foreign lands.

One more time, I'd like to remind you there are some very simple things like "Red Shirt Fridays" that we can do to keep the troops in our thoughts and raise awareness for others.

Now back to the riding. There are only three months left until it is Florida State Rally time. Be sure to join us in Fort Walton Beach October 21st through October 25th. Register online at [www.flstatehogrally.com](http://www.flstatehogrally.com). Also be sure to make your hotel reservations right now as they sell out fast (1-800-874-8962 or online). If past rallies are any indication, you will have a fantastic time and will come away with some great memories.

I'll look forward to seeing you on an upcoming ride!

Our chapter just keeps getting better and better! If you have any feedback on things you like or things you would like to see changed, please don't hesitate to let me, or any member of the board know. We're all here to make this the best HOG chapter around.

Ride Safe!

THE WORLD'S BEST CLEANERS & PROTECTANTS

**Star brite**® NEW FOR 2014

INNOVATION • TECHNOLOGY • PERFORMANCE

**ULTIMATE BIKE  
GUARD WITH PTEF®**

Part #98022 - 22 U.S. fl. oz.

Adds shine and UV protection to all painted, stainless, chrome, plastic, fiberglass and polished surfaces. Spray on, work in a circular motion and then lightly buff to shine and clean.

**ULTIMATE XTREME CLEAN**

Part #83222 - 22 U.S. fl. oz.

An all-surface cleaner/degreaser that blasts away the toughest dirt and grime from all areas of the bike. Dissolves grease, bug bits, mud and more without using harmful caustic chemicals that can damage the finish.

**ULTIMATE MATTE  
FINISH WITH PTEF®**

Part #98122 - 22 U.S. fl. oz.

Specifically formulated to clean and enhance the look of matte, denim and other non-glossy surfaces. Provides non-shiny UV protection and helps repel grime. Safe for all painted, wrapped and metal surfaces.

**ULTIMATE CORROSION  
BLOCKER WITH PTEF®**

Part #95422 - 22 U.S. fl. oz.

Corrosion Blocker is a non-aerosol spray that creates an invisible, non-sticky barrier to corrosion on all metal surfaces. Unlike traditional products that are runny or form a gooey, sticky film, Corrosion Blocker dries clear and tack-free. In addition to bikes, it's also perfect for tools, trailers and all other metal surfaces.
