Speaking Directly

It's Monday morning at 9:30 am. I just landed in Charleston, SC, via Delta Airlines, after spending the weekend in the Keys at Breezy Palms. This year there were 55 attendees. Next year who knows how many will be there.

I started to write this in depth article about Breezy Palms and about halfway through I decided to change the topic. I decided to remind everyone about a few upcoming events. I decided not to talk about the past but to talk about the future.

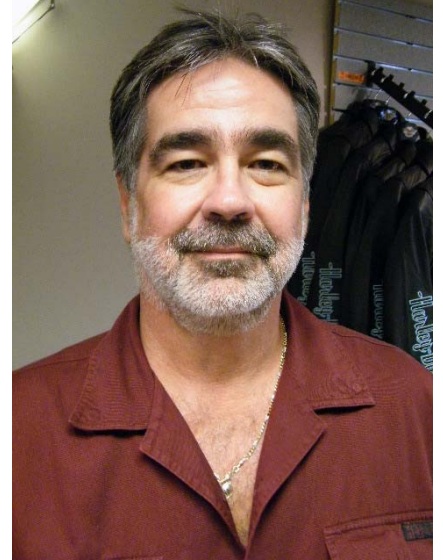

Chester's is changing up the "Breast Cancer Awareness" ride to a poker run style ride on October 5th, starting at Chester's and ending at the Isles Casino. This is the month for REAL MEN and REAL WOMEN to wear their "PINK." All the funds will go to Gilda's House of Broward County and all these funds STAY in Broward County.

In addition to all of our FNQ's and Sunday rides, toward the end of October we will be attending the FL HOG State Rally just outside of Destin, FL in the panhandle. We have several rides planned if you want to go with a group. One group is planning on a 2-day ride, spending the night in Perry, FL. Please check the blast or the calendar on FLHOG.com for more details.

Mary "Bling" Briggs, LOH Officer, will start taking reservations for our Holiday Party on December 12th. As always, this will be a huge event. If you or your special Honey have any favorite songs you would like to hear at the Holiday Party, please send them to me at jimzimm0311@yahoo.com. I will make sure that our DJ adds them to his list. We really want this party to be about everyone. We plan on having a few surprises at this year's extravaganza.

Please remember that this club, like any other club, will only give back what you put into it. If you are happy simply reading about our activities, events, parties and especially our rides, then so be it. If you want to join us, please do. We would really like everyone to join us on every ride.

If I, or any member of the board, can do anything to make your HOG experience more exciting, please feel free to contact us. We are here to help. Remember, when it all comes down to it, "We are a motorcycle club. It's all about the ride." See you on the road, at our rides or at the meetings.

Jim Zimmerman, Director
Fort Lauderdale HOG 3343
954-383-0311
"GEAUX SAINTS"

PS: We are diligently working on new rides and events, especially with our Dealership and Drill Team, for next year. Give us your ideas.

Safety Article:

The Dangers of Night Driving Glasses

It is an all too common misconception that yellow tinted or yellow polarized night driving glasses are beneficial for night time driving. The thought is, the yellow or amber color reduces glare and improves contrast. However, in reality, when driving at night or dusk in already limited lighting conditions, ANY tint further reduces the amount of light transmitted to the eye, and consequently, further impairs vision. The problem is compounded as the yellow tint gives the wearer the impression they are seeing better, when in fact the reverse is actually true.

“Yellow ‘Night Driving’ lenses have been shown to provide no benefit in seeing ability at night. They are even hazardous, because they give the driver a feeling of seeing better, which no one has yet been able to explain. Studies have shown that they actually impair visual performance and retard glare recovery. Many promoters have made unfounded claims for the ability of amber to improve night vision. They have employed mass solicitation, usually by mail. The Federal Trade Commission has correctly ruled that such practices are illegal since the lenses do not perform as claimed.” - Forensic Aspects of Vision and Highway Safety”, Merrill J. Allen, O.D., Ph.D., Et al.

While yellow lenses can be effective for foggy or hazy daylight conditions, they are not effective against headlight glare and should not be worn at dusk or night. If glare from headlights is a problem, the first step should be a thorough eye examination, as this could be an early indication of cataracts or other medical conditions.

“So-called night driving glasses are generally amber tinted eyewear meant to reduce the glare of oncoming headlights. While they may make the driver feel more comfortable, they also reduce the wearer’s visibility of the darker portions of the roadway.” - Sunglass Association of America.

The best option for night time driving is a pair of spectacles with clear lenses and an AR coating. The AR coating is beneficial in two ways. First, it minimizes internal reflections within the lenses, reducing halo problems, and second, it increases the transmittance of light through the lens to the eye. However, it is important to note, if a patient does not normally wear spectacles, AR coated lenses, or any other type of night driving glasses will not

improve night vision, as AR coatings only minimize aberrations that are inherent in ophthalmic lenses and night driving glasses will simply serve to introduce those aberrations to the wearer’s vision.

Since Motorcyclists are required to wear eye protection clear AR coated glasses, or clear shields on a helmet are best.

Tips for optimal night time driving vision:

- Make sure eyes are examined regularly
- Always wear an up-to-date prescription
- Lenses worn should be clear with an AR coating
- Ensure lenses are clean
- Ensure windshield is clean

Responsible dispensers of ophthalmic lenses discourage the use of tinted, polarized, or photochromic lenses in night time or dusk driving conditions.

Ride Safe!

Bernie Weiss
Safety Officer

Road Captains

Interested in joining this great team?

We are looking for Chapter Members (men and women) who are interested in becoming part of our award-winning Road Captain Team.

If you're an experienced rider with good riding skills, have a CB radio on your bike, and are interested in participating in the training program to become a Road Captain, please contact Nick Glaug (Head Road Captain) at roadcapt@flhog.com.

Our team of Road Captains thanks you for your consideration.

Remember, "We Don't Make The Ride, We Make It Safer"

The team consists of:

- | | |
|---------------------------------------|-------------------|
| - Nick Glaug
(Head - Road Captain) | - Dave Spallinger |
| - Di Addis | - Bruce Haber |
| - Marc Addis | - Ed Hartmann |
| - Ben Barrocas | - Gary Jones |
| - Bob Belano | - Allan Kaplan |
| - Jerry Bernard | - Gregg Manson |
| - Jim Day | - Bob O'Brian |
| - Leo Dodier | - Ray Paul |
| - Thom Feally | - Lauren Payne |
| - Gene Fiamma | - Bob Piano |
| - Michael Fonseca | - Jay Sanchez |
| | - Nic Talantis |
| | - Scott Thomas |

- Bob Todd
- Bernie Weiss
- Steve Weston
- Keith Winn
- Ron Wolfe
- Larry Zabel
- Jeff Springston
- Jim Zimmerman
- Nick Marando
- Nestor Ortiz
- Fred Sadoff
- Steve Jenkins

WELCOME TO THE FAMILY

*All Members
Bike 'n Bagel Day*

FT. LAUDERDALE HARLEY OWNERS GROUP!

Come see some old friends, meet some new friends, and enjoy our complimentary bagels and donuts while learning about FL HOG and how we ALL ride safely in a group. If you have never ridden in our group, you are missing out on a great time.

Our experienced Road Captains present an orientation to the Chapter. They cover how our chapter rides in a group, answer all your questions, and then they lead us off through the city, highway and rural roads to enjoy a ride using our group riding skills.

Head Road Captain

IMPORTANT CHAPTER RIDE POLICIES

In the event that inclement weather interferes with our scheduled rides, please be advised of our long-standing policy regarding cancellation of a ride. While it is always a member's option to go on a chapter ride whenever we have inclement weather, a decision will be made by the Lead Road Captain whether the SANCTIONED ride will take place. Riding in inclement weather is a safety issue we should always consider. The formal cancellation of a ride will occur at the time and place the ride begins. The Lead Road Captain running the ride will be present at the designated time and place the ride begins to advise those present of the decision.

While the HOG Ft. Lauderdale Chapter #3343 always promotes riding, we have a responsibility to our members, H.O.G. National, our sponsoring Dealer and Harley-Davidson. All participants in our rides must be a current member of H.O.G. National and our local Chapter. All members are issued a local membership card that must be shown at the time of the ride. If the card is not available, a waiver must be signed prior to the ride. Guests are allowed on up to 3 rides and must sign a waiver prior to each ride. At the 3rd ride, Guests will be asked to become a member. Participants without membership cards or signed waivers will not be allowed to participate in any Chapter events. Guests are not allowed to participate in the fourth event. Thank you for your understanding and cooperation.

THE LAST WORD

I'm writing this article from Fort Hood Army Base near Killeen, TX, also known as "The Great Place". We're anxiously awaiting the return home of our favorite soldier. He's out of Afghanistan and by the time you read this will be home at Fort Hood. I couldn't be happier. The combination of staying at his house on the base for two

weeks, welcoming him home after deployment and getting to spend quality time with the grandkids, well it just doesn't get any better than this! All I'm missing is my bike. On the way here we did manage to travel a few great motorcycle roads in east-central Texas, even though we were in the cage. We may just bring the bike next trip out.

The week before we headed to Texas was Breezy Palms weekend. Wow! Diane and Jim really know how to do it up right. We had a blast hanging out at the pool, making a run to Key West and partying the night away after a fantastic dinner. You may have heard there was a little weather in the area. We did not let it detract from the fun one little bit. I think it just added to the memories. I'm already looking forward to this trip next year.

In the mean time we have this little event known as the Florida State HOG Rally in Fort Walton Beach from October 21st through October 25th. If you haven't already, make your hotel reservations right now as they sell out fast

(1-800-874-8962 or online). If you have any trouble getting a room at the host hotel, please contact me as I may have some options for you. This will be the last year we'll be in Fort Walton Beach, at least for a little while, so be sure to join us for what will most certainly be a great time!

Before you know it we'll be into the holiday season. This is a good time for me to start reminding everyone about our support for Wreaths Across America. You can make your donation online at <http://waa.convio.net/goto/flhog3343>. Remember, the chapter is matching all donations up to \$2500 so let's do this! You'll also want to mark your calendar for December 13th when we ride to South Florida National Cemetery for the laying of the wreaths. This is an event that you will treasure for a long time.

I'll look forward to seeing you on an upcoming ride!

Our chapter just keeps getting better and better! If you have any feedback on things you like or things you would like to see changed, please don't hesitate to let me, or any member of the board know. We're all here to make this the best HOG chapter around.

Ride Safe!

THE WORLD'S BEST CLEANERS & PROTECTANTS

Star brite® NEW FOR 2014

INNOVATION • TECHNOLOGY • PERFORMANCE

**ULTIMATE BIKE
GUARD WITH PTEF®**

Part #98022 - 22 U.S. fl. oz.

Adds shine and UV protection to all painted, stainless, chrome, plastic, fiberglass and polished surfaces. Spray on, work in a circular motion and then lightly buff to shine and clean.

ULTIMATE XTREME CLEAN

Part #83222 - 22 U.S. fl. oz.

An all-surface cleaner/degreaser that blasts away the toughest dirt and grime from all areas of the bike. Dissolves grease, bug bits, mud and more without using harmful caustic chemicals that can damage the finish.

**ULTIMATE MATTE
FINISH WITH PTEF®**

Part #98122 - 22 U.S. fl. oz.

Specifically formulated to clean and enhance the look of matte, denim and other non-glossy surfaces. Provides non-shiny UV protection and helps repel grime. Safe for all painted, wrapped and metal surfaces.

**ULTIMATE CORROSION
BLOCKER WITH PTEF®**

Part #95422 - 22 U.S. fl. oz.

Corrosion Blocker is a non-aerosol spray that creates an invisible, non-sticky barrier to corrosion on all metal surfaces. Unlike traditional products that are runny or form a gooey, sticky film, Corrosion Blocker dries clear and tack-free. In addition to bikes, it's also perfect for tools, trailers and all other metal surfaces.
